The APPEAL again, in the name and Walkersaid, these are times not contem-HEARTFELT THANKS TO ALL. The APPEAL again, in the name and plated by our statutes, therefore it was in behalf of the citizens of Memphis, right that, as Squire Wallace said, they heartily thanks the kind friends in should take the responsibility. We blot every part of the Union who con- out all remembrance of the past short-

tinus to pour upon us, in unstint- comings of the court. It has done its ed measure, a seasonable aid and duty promptly, nobly and well. comfort. At an early day, when LET us say once for all that the APtrouble has abated, and our citizens utterances of correspondents whose follows: shall be able to realize the extent of communications are admitted to its colfor themselves. For the present, let it our issue of Saturday we are as hearty each alternate year, and suffice that we all of us feel an over- in our condemnation as any one. Chiwhelming sense of obligation for a munificent and unstinted help, a munificent and unstinted help, away and with a spirit that makes us feel that they and we are one indeed.

The supreme court of Tennessee, now yield with each other on Sunday in their vied with each other on Sunday in their sufferers of Shreveport, for whom our sufferers of Shreveport in the sufferers of for our own sick and destitute. President Grant, also, in the spirit of a gallant soldier, and with a promptage becoming one who presides over the republic, has come to our assistance will pass the cases of lawyers absent in and statutory provisions are to force upon the people a general election every year, contrary to the letter and spirit of the constitution, the intention of its framers, and to the detriment of the public interest; and the republic, has come to our assistance will pass the cases of lawyers absent in and statutory provisions are to force upon the people a general election every year, contrary to the letter and spirit of the constitution, the intention of district of Alabama, vice Widner, allower lake region and Ohio valley, when the people a general election every year, contrary to the letter and spirit of the constitution, the intention of its framers, and to the detriment of the public interest; and the republic, has come to our assistance will pass the cases of lawyers absent in and statutory provisions are to force upon the people a general election every year, contrary to the letter and spirit of the constitution, the intention of district of Alabama, vice Widner, allower lake region and Ohio valley, when the proper lakes, northwest and south-lector of internal revenue for fine the prosection of its framers, and to the detriment of the deather. For the lower lake region and Ohio valley, we wanted. Cadwallader's c. h. f. Dolorosa 3; the cases of lawyers with a statutory provisions are to force.

Washington News.

It is framers, and to the detriment of the destrict of Alabama, vice Widner, allower lake region and Ohio valley, we then the cases of lawyers with a statutory provisions are to force when the proper lakes, northwest and south-lector of internal revenue for the provisions are to force when the provision and the provision and the provisio the republic, has come to our assistance who are unnecessarily absent, and in with a measure as full and hearty as our every way prudent and wise.

A POWER-FULL MOVE.

this, her time of need.

the istest proclamation from Governor Bravo! Powers, of Mississippi, touching the pending question of a general election for State officers in Mississippi. This last expression of executive authority suggests what we deem a very proper Powers, in order to have the question "satisfactorily and forever settled," convenes by proclamation the legislature in extra session, at Jackmonth "for the purpose of amending the election laws, and transacting such other business of paramount importance will result in rekindling the rather hand of Wall street, and gold and silwaning fires of the present campaign in Mississippi, by settling the question of the country. It is a factor of the country of In Mississippi, by settling the question of the country. It is a foul shame that of the country. It is a foul shame that of the country. It is a foul shame that of the country. It is a foul shame that of the treasury, should have the power to control at will the fortunes, and thus the action of every bank and of every that and of every the country is treasured in a bank and of all published opinion denying the person interested in a bank, and of all constitutionality of the act of the that mighty multitude dependent for legislature which provides for an elec-tion in November next, suggests the very steps which Governor Powers has taken. Mr. Morris says: "The legisla-very public and private vice that deture can, if necessary, be convened in lights an age of progressive corruption.

Extraordinary session in November or are only anxious for the resumption of the special from Houston, says that a December, or even in October, to repeal the present unconstitutional law; pass a law for having a general election next be a financial system which suspends vert, and reports fever there, genuine fall, and thereafter once every two would be wholly incredible if we had in all. would be wholly incredible if we had not witnessed it, and then the disaster comes down upon the country when nobody was anticipating it, and even more will not bring any comfort to our friends, Alcorn and Ames, nor disturb the official repose of Governor Powers, and his host of patriotic companions in office for twelve months to come. Five late and commerce of an commerce of an another the country when nobody was anticipating it, and even more single wild-cat railway scheme, far away in a frozen cane, is potent enough for mischief to paralyze, through the intervention of a fice for twelve months to come. Five late and commerce of a man, forty years of age; C. Hogh Wall.

the diseases which have robbed us of so many good and worthy citizens as to lift this suspension c ntinue a month, many good and worthy citizens as to earn the plaudits of those even who had no social or religious connection with him. His ministrations were those of the devoted servant of God. He practised the utmost self-denial, and knew nothing but the cause of Christ, and him crucified. Early and late, in seed time and harvest, he was always at his post, doing his duty. If this suspension c ntinue a month, you will see golden guineas everywhere in the south. The south will receive for the crop quite as much in gold as it would in this baseless currency. The intervention of countless intermediate agents and speculators who come between the planter and British manufacturer would be avoided, and the cotton take the shortest and cheapest route from southern cities and seaports to port and M was always at his post, doing his duty Liverpool. But Grant's re-election carnestly, wisely and well. Death found depends upon his maintenance of before the bed-side of his parishoners be was caught with the infection of yellow-fever, and notwithstanding the efforts of a most skilful and attentive physical and attentive phys cian, breathed his last yesterday. His remains will be buried to-day, and will, no doubt, be followed to the grave by a market, this inland city has been enjoyno doubt, he followed to the grave by a numerous band an accurrers whom he often led in prajer to the throne of grace, where he has already stood to receive the "Well done, good and faithful servant; enter thou into the joy of thy Lord."

market, this inland city has been enjoying, through the current week, the delights of an agricultural and mechanical fair. There were fewer persons in attendance than in some former years, but these entered into the sports, and pleasures, and business of the day with the greatest enthusiasm. They had a footgreatest enthusiasm. They had a footgreatest enthusiasm.
